Re: TSCA -- Substantial Risk Reporting Requirements

Dear Alex and Wake:

Enclosed is a copy of EPA's final "interpretation" of the substantial risk reporting requirements imposed by Section 8(e) of the Toxic Substances Control Act. Substantial changes have been made from the draft published last September, which we analyzed in our draft memo to you of October 4, 1977. We will prepare a revised version of our October 4 memorandum as soon as possible.

With best regards.

Sincerely yours,

Norton F. Tennille, Jr.
